Middle Years Project
Problem Solving Stage 3/4
During Semester 1 2013, the Killara Schools Partnership schools will participate in a Mathematical Problem Solving project. Stage 3 teachers from Lindfield East, Lindfield, Roseville, Gordon East, Beaumont Road and Killara Public Schools will buddy with a maths teacher from Killara High School to collaboratively develop and teach problem solving lessons in mathematics.

Miss Mason, Year 6 teacher at LEPS, will participate in the project this term and teach her maths group the strategies needed to solve challenging problems. During Term 2, all Stage 3 teachers from LEPS will participate in this exciting initiative.

Zone Swimming Carnival
Congratulations to all students who participated at the zone swimming carnival on Thursday. Mr Tilsley, who attended the carnival, was overwhelmed by the way LEPS students competed and conducted themselves on the day. Looking forward to the results as it is neck and neck. Many thanks to all the parents who assisted, your efforts are much appreciated. Congratulations everyone.

Starting at a new school in years 1 to 6 can be overwhelming, even if you had children enrolled for a while, in a big school like ours you may still feel lost.

One of the first phrases you’ll hear in our neighbourhood is “I’ll meet you at the Deli”, which is the café in the row of shops in Wellington road, East Lindfield. We invite all of 2013’s newly arrived families and friendly souls in the LEPS community to join us for a coffee from 9:15am on Friday 15th March.

To help us connect you with the other parents in your child’s class or start answering your queries, please email your names and contact details to: welcome2leps@gmail.com

We would love to meet you, and welcome all feedback!

Kind regards

Debbie Jenkins (0419 258 650) and Eleanor Macintyre (0422 799 429)

WELCOME TO LEPS
NEW ENROLMENTS YEARS 1—6
ONLINE ORDERING – WIN/WIN
If you haven’t yet registered for our online ordering system, please do! It makes life much easier for you to manage your children’s orders without hunting out change and writing out bags...AND it is much easier for the canteen volunteers. We spend a lot of time each morning emptying the lunch bags, checking prices, taping change on....when we could just print off a reel of labels. If your children are ordering lunch at least once a week, PLEASE consider online ordering. Details on our website www.lepspandc.asn.au/canteen

SUSHI $3.00
Our new supplier is now providing sushi for lunch orders every Wednesday and Friday. The new sushi is larger than the previous ones we sold, so please note the new price of $3.00 each for either teriyaki chicken, tuna or cucumber. And ONLY available on Wednesday and Friday.

MENU CHANGE
We have discontinued the Hokkein Noodles from our menu, although there may be a couple available until they run out. We will be looking for a replacement item later this term.

A FEW REMINDERS
We cannot provide additional food for those children on Fridays who do not have their crunch & sip treat. Some children eat their recess at crunch & sip time, and eat their lunch at recess, and come looking for more food at lunchtime. Please help them manage what they have each day and when to eat it...especially on Fridays! Thank you.

Mistakes sometimes happen! If there is something wrong with your child’s lunch order PLEASE tell them to come and see us and we can usually correct it. If they are shy, tell them to bring a friend.

Foreign coins enclosed with lunch orders are not accepted. These will be returned to you and your child may miss out on an item...please check carefully! We do end up with a large variety of non-Australian coins which cannot be banked.
PB and CB
The Band Camp has finally arrived! Please refer to the earlier email about all the clothing and essential items you will need to pack. Don’t forget to pack your wet weather gear as a few showers are forecast over the weekend.
Have a wonderful time and thrill us all at your concert on Sunday.
