Education Week
Public Schools NSW – Celebrating the 60th Education Week
2014 marks the 60th anniversary of the first Education Week. The tagline for the original 1954 Education Week was: "Lighting the way to a better world" and the same slogan has been adopted for this year's anniversary celebration. Education Week allows Public Schools to showcase and highlight the quality and diversity of education right across NSW.

As part of the celebrations, LEPS will hold its annual Open Day on Wednesday 30 July. Parents are invited to join in activities with their child and their child's classroom teacher. Many of the school's innovative programs including the Science lab, Eco-Garden and Computer room will be opened up for parent tours and a number of school performance groups will also be on show. See page 7 for further information.

The Future of Education is in Lindfield
The consultation process for the development of a new and innovative educational facility on the UTS site at Lindfield has begun. The University will be moving out at the end of 2015 and it is anticipated that the new government school will commence in 2017. The DEC has purchased the site in order to address the ever increasing demand and subsequent overcrowding in both primary and secondary schools in the Northern Sydney region.

On Wednesday the school captains, executive teachers and Principals from our North Shore network were invited to the campus for the start of collaborative discussions on developing a learning model. Input is now being sought from all local stakeholders.

Dear parents and Caregivers

As you may know the Department of Education and Communities has acquired the UTS, Lindfield site for use as a school. The University will be moving out of the building at the end of 2015 and it is anticipated the school will open in 2017.

We are in the process of consulting with the community to develop a world class educational model for a school in this site and we are very interested in hearing your views.

If you are interested in participating in the consultation process please go to:

Lindfield.mindmixer.com

This site will be open for comments until 8 August.

There are a number of public meetings to be held at the University site:

- Afternoon tea   19 July, 3pm
- A lecture by leading world educationalist, Stephen Heppell, 29 July 7pm
- A workshop with Stephen Heppell 29 July, 4.00 – 6.00pm

Mathematics Survey

The numeracy committee surveyed students in Years 1 and 2 to evaluate the children’s attitudes towards maths and to reflect and evaluate upon our current practices. It was pleasing to see that the majority of students enjoying Maths and felt confident in their abilities to solve maths problems. It was interesting to note the importance of teacher feedback and that nearly all the students indicated that maths will be useful for them in the future. Students also preferred ‘hands-on’ maths to working on paper.

26 Storey Treehouse

Students in Years 3-6 have been focussing on the novel the ‘26 Storey Treehouse’ by Andy Griffiths for Book Week. An excursion to the concourse at Chatswood has organised on Monday 15 September for all children in Years 3-6 to view a performance of this wonderful story. Please visit the library to view our treehouse!

Playground vests

Have you seen our new playground vests? From Term 3, teachers on morning duty in the K-2 playground will be wearing these vests. As the K-2 playground is a very busy place in the morning, teachers will be easily identifiable wearing these bright orange vests.

Year 2 Maths Groups

Maths groups for students in Year 2 will commence in Week 2 of this term. Children will attend their maths group every Monday, Tuesday and Wednesday. This term they will focus on Number, Patterning and Measurement concepts.

Dance2BFit
Everyone’s toes are tapping as LEPS embarks on the Dance2BFit program for this year. The theme is ‘Musicals’ and we’re all enjoying revisiting the well-loved stories of Aladdin, The Lion King, The Sound of Music, The Wizard of Oz, The Little Mermaid, Annie and many more. The ‘LEPS Dance Extravaganza’ will be held on Tuesday 9 September (with a back-up date of Wednesday 17 September if it rains). Dance forms part of our Creative Arts and Physical Education programs, and we are pleased to be able to offer every single child in the school the opportunity to discover their inner Billy Elliot!

LEPS Public Speaking Competition
At the end of last term, children brought home information about the school’s Public Speaking Competition. If you haven’t seen it, could you please ask your child or their class teacher for the information?

Research has shown that one of the key competencies for professional life is the ability to communicate effectively – in both informal (groups or teams) situations, and formal situations (such as presentations and speeches). Here at LEPS we give children many opportunities to develop this vital skill; from Kindergarten, where children learn how to present news to the class, right through to Year 6 where they learn debating skills, our students are encouraged to become confident, articulate communicators.

The Public Speaking Competition comprises two sections: a prepared speech and an impromptu speech. You can assist your child at home by encouraging him or her to write a speech that is interesting and engaging for the audience. Speeches are most effective when they include anecdotes, questions and persuasion, rather than just information. You can also help by listening to your child as they practise their speech – all presentations benefit from rehearsal. However, an important note is that gestures SHOULD NOT be rehearsed. Children should use palm cards so that their hands and arms are free to make spontaneous, natural gestures, but rehearsing these results in a stiff, artificial style of presentation, which is not ideal.

To help your child develop confidence with impromptu speeches, select topics he or she is comfortable talking about and then provide opportunities for rehearsal. Impromptu speeches should not go for more than 2 minutes, and the teachers are teaching students how to structure effective impromptu talks.

The finals for the competition will be held on Wednesday 3rd September. Good luck to everyone!

*Premiers Reading Challenge*

6 weeks to go!!
For those children who have already finished this year’s challenge ……..congratulations!
For some, it will be a sprint to the finish. Keep up the good work.

I hear lots of lovely comments about how completing the Challenge has broadened reading habits. Students picked up books and started on series they otherwise wouldn’t have been motivated to read. The Premier’s Reading Challenge does a wonderful job of introducing students to a wider range of literature. Just ask if you need help to complete this year’s Challenge.

3/4MM have been studying British Colonisation in HSIE. They were asked to write a journal entry from the point of view of a convict on the First Fleet.

Port Jackson

I am only six. My name is Jack Co. I was sent to Port Jackson for stealing a sweater. I was only borrowing.

I went on the Alexander. It was a harsh some died some got sick. When we got there we did lots of work. My job was to plant wheat. My mum was a convict too but she died of sickness.

I have got the cat and nine tails before but only once. It hurts a lot. I will escape but I don’t know when. I hope it is tomorrow, on my birthday. Then I will never live a miserable life again.

February 20th 1788

My name is Grace Surry. I live in England. My mother died when I was 5 and I have no father. So I live with my Uncle Ord. I work as a mudlark. I was walking home from the River Thames when I saw a cart filled with red apples. When nobody was looking I grabbed one then I ran into Fleet Street. When I woke up I was in a dirty gaol room with ladies who looked about 32. Next I went to court. The judges said I was to be transported to a place called Sydney Cove for 7 years. When all the convicts got on the ship, I walked between the bunks but I stopped when I felt a light tap on my head. I looked up and saw a girl who looked about 11. She said “come up here.”

“Ok” I replied. I clambered up to the top bunk.

“my name is Elizabeth.” She said.

“I am Grace.” I replied. We spent months on the boat. When we got there we became sisters.

My name is Smith and I am 12. All I stole was some clothes to keep warm. After that I went to court and the judge sentenced me to transportation. I was sent to what is now known as Australia on the ‘Friendship’. I arrived in Australia and immediately made a job out of farming.  
1789 20th of May

I was working hard I realised nobody celebrates birthdays. 1 year has passed and I started earning money. 3 shillings per week. It wasn’t much but I was able to save up the money to buy animals and clothes.

1793 April

I saw a weird animal today and saw people eating it. I heard a story that people ate a berry and it killed them so I thought about the animal.

I’m a free man now and fight against slavery of convicts.

Mary Elliott  
Sydney Cove, Port Jackson  
23rd July 1790

A couple of hours ago the jury had sentenced me, Mary Elliott for seven years in Australia. How unfair, I am only 10. I had to say my goodbyes to my family but no one really cared because I have 8 other brothers and sisters. Straight away as I boarded the Alexander I could smell rotten fish and dampness as we were jostled and jolted down the stairs into a hard metal cell where the children went. Stealing a chrome watch seemed to be such a big deal and I was chained to the ground so that I could only move a few feet.

Four months have passed and I have already witnessed one death and I have caught the measles. I am lucky to have survived. I was about to commit suicide and jump off the wretched ship but I forced myself to think that a happy life may be waiting. A crew of pirates had invaded our ship but they were overpowered by the marines. I wish I could have been captured it would have been better than in Botany Bay.

Land Ahoy was what had woken me up. Stampeding feet were heard above my head, moaning sounds came from around me and I think this awful journey was finally over. I had to wait nine days with the other women and children until we were let up onto land. I wish I had stayed on that ship it was better way better than Australia. The only friend I had was too skinny and was not healthy enough so she was sent to prison. Life was hard for us convicts especially hoeing the ground that hurt your back and my hands were permanently ruined because of scrubbing the pots and pans. My pencil is now getting short, so my life became better and I married a man called John Howard and had a boy and a girl who I named Charlotte and Alexander who I named after 26 January 1800,

My name is Fanny Anderson, I was thirty years of age at the time and was accused of stealing a diamond ring worth two hundred shillings and so I had to leave England for my entire life.

It was terrible I even had to be whipped with the cat and nine tails one hundred times on my back, each hit was like a python taking a bite into my flesh. On the first fleet it was even worse. I was sent on the Charlotte to Botany Bay and it was my first time on a ship so I was terribly seasick. The soldiers treated me like dirt while I was honest and worked hard. I even polished their rotten old shoes for goodness sake! All of my siblings were at home in England while I suffered here in Botany Bay. Now I regret stealing that two hundred shillings diamond ring, every bit of it. I didn’t even need it. Why couldn’t I stole something useful like a coat or a blanket or a delicious cake? I am sorry that I can’t keep on welping you up with tears, but I received a report informing me that I am going to be executed tomorrow.

Thank you
Elise Lee (0416 088 806 / elise_lee@optusnet.com.au)
Band Convenor on behalf of the Band Committee
Starting at a new school can be overwhelming for children & parents alike. There are so many new faces & new routines to learn, and even if you have had children enrolled for a while, in our big school you may still feel a little lost.

We have a lovely tradition at our school of casual coffee shop catch-ups in our neighbourhood café. We aim to make you feel part of this wonderful community. Come along and join us one day

Where: The Deli in the Park (café in the row of shops off Wellington Rd, East Lindfield)  
When: from 9:15am on Mondays:  

4 August, 18 August, 1 September & 15 September

To help us connect you with the other parents in your child’s class or start answering your queries, please email your names and contact details to: welcome2leps@gmail.com

We would love to meet you, and we welcome all your feedback.

Kind regards  
Debbie Jenkins (0419 258 650) & Eleanor Macintyre (0422 799 429)  
On behalf of LEPS Parent’s Auxiliary

Drop-off and pick-up by car

Stick to the 40km/h speed limit in a school zone as children are about and can be unpredictable.

Look out for buses pulling out – watch for wig-wag lights.

Always park and turn legally around schools and avoid dangerous manoeuvres like U-turns and three-point turns.

Always give way to pedestrians particularly when entering and leaving driveways.

Drop the kids off and pick them up on the school side of the road in your school's designated drop-off and pick-up area. Calling out to them from across the road can be dangerous because they may run to you without checking traffic.

It's safest for the kids to get out of the car on the kerb side of the road to be away from passing traffic.
