K-2 Excursion to Glen Street Theatre to see ‘Wombat Stew’
On Monday 21 July, K-2 attended a performance of ‘Wombat Stew’ at Glen Street Theatre. The children were thoroughly mesmerised by the funny characters, clever costumes and eye catching backdrops. Congratulations to all the children on their lovely manners and good behaviour.

In Wombat Stew I liked:

Dingo because I liked him when he was making the wombat stew. **Nicholas KJP**
Eric because he kept on saying is it my go. **Mia KJP**
Emu because she was pretty. The play was different to the book. The wombat was cute. **Christina KJP**
The blue tongue lizard because he slid. **Christopher KJP**

Birds in Schools Incursion
Today 5ST took part in a ‘Birds in Schools’ incursion as part of the ‘Birds in Schools’ project run by ‘Birdlife Australia’. The aim of the project is to engage students in the scientific process through investigating and monitoring the birds and their habitat in the school grounds with the ultimate aim of developing and implementing an action plan related to improving its biodiversity. The students today undertook habitat assessments of the school grounds in order to establish wild life corridors welcoming native birds to the school environment with the ultimate aim of discouraging introduced species. Students investigated mini creatures within habitats and studied the plant species necessary to establish native habitats. Thank you to Elizabeth Noble, Birds in Schools Project Manager and volunteers Liz and Holly who gave up their time to work with the children today. Mrs Samantha Tuckerman has been coordinating this initiative as part of the sustainability program at the school. If you would like further information, access the website: [http://birdlife.org.au/education-publications/education/birds-in-schools](http://birdlife.org.au/education-publications/education/birds-in-schools)
Mathematics Survey

The numeracy committee surveyed students in Years 3 to 6 to evaluate the children’s attitudes towards maths and to reflect and evaluate upon our current practices. It was pleasing to see that the majority of students enjoyed going to maths groups and felt confident in their abilities to solve maths problems.

I find Mathematics enjoyable and stimulating 77% agreed
I believe Mathematics is important to everyday life 90% agreed
I think I will need Mathematics in my future job 76% agreed
I feel confident in my abilities to solve Mathematics problems 87% agreed
I enjoy the challenge of tackling difficult questions in Maths 71% agreed
I enjoy going to Maths Groups 75% agreed

There were some interesting responses to the open question: How do you feel about Maths?

Maths can be hard but once you get the hang of things you know what to do :
I will need it in everyday life so there is no escaping it! Plus I want to be a doctor and you need MATHS!
I’m uncomfortable with division, multiplication is alright and subtracting and adding.. I love doing it!
Mathematics is very awesome!!!! I love it! It's difficult but not difficult enough, which makes you do more!
Sometimes it is fun but is a bit boring sometimes
I like it when we are learning but in a fun way!
Maths Is Mostly Fun! It can be amazing what you can learn!
IT IS USEFUL BUT BORING
I like maths because I like finking out of the square
Maths worksheets, textbooks, problem solving and activities were you design your own theme park or school and work out the ongoing costs and how much it will cost to build and the profit you will make at the end. I also enjoy maths because some of my friends are in my maths class so i can talk to them in maths groups. I rate maths groups 8/10.
I feel good when I walk into my maths group room

Students also preferred to work with a partner than undertake whole class activities. The majority also agreed that mathematics encourages creativity and discovery.
MUSIC UPDATE - TERM 3

During the last two weeks of Term 2, Years 1 & 2 students brought in and played some fantastic home-made musical instruments in our class bands. It was wonderful to see the different ideas and sounds these instruments produced. We enjoyed hearing how they were made, where the ideas came from and who helped. There is a small display of some of these instruments in the Library. Well done all the children who participated in this activity.

Each week a ‘Care and Respect Award’ and music stickers are given for participation and enthusiasm in the music lesson. At the end of each term a student from each class receives a special music award for wonderful work throughout the term.

Term 1: Christina M, Alegra B, Anya A, Charlotte W, Archie L, Megan C, Emma H, Fiona D, Kian C
Term 2: Amelia Y, Sam R, Ian S, Rishi M, Gabriella H, Satvik N, Liam B, Lachlan T, Samantha D, Emma L

Congratulations to these students and to all students who have made the music lessons so enjoyable. We have certainly learnt many songs, dances, musical concepts and had a variety of musical experiences.

NSW Public Schools working with NSW Police
The wellbeing of youth in NSW lies at the heart of all that school and police officers do. We want our children to grow into happy, productive, informed, healthy citizens who are able to make positive contributions to society. Yesterday I attended the biannual North Shore Principals’ Forum, hosted by Constable Misty Boss who is the Youth Liaison Officer at the Chatswood Police Station. The keynote speaker was David Citer of Ku-ring-gai Youth Development Services (KYDS) who spoke to the audience about building positive mental health in young people. The good news is that all the strategies he recommended are strategies that LEPS already has in place: David Citer specifically referred to the need to build resilience in young people, and this is the focus of LEPS’ Bounce Back program. He also mentioned the need to provide students with skills and strategies in stress and anxiety management, and the yoga classes we introduced this year are designed to address these issues. The range of other important strategies already underway at LEPS includes Child Protection lessons, Interrelate sessions for our older students, the Learning Support Team, buddy classes, our Student Welfare Policy (including the School Behaviour Code based on ‘Care and Respect’), the Friendship Room, the Yard Games program, assemblies which foster school pride, the vast range of team, group and club activities we offer, and the professional attention of our dedicated teachers who provide holistic pastoral care for each and every student. These pro-active strategies support a safe and nurturing school environment, this providing the best possible start for young people.

School Hours
This is a reminder that teachers are on duty in the morning from 8:45am until classes commence at 9:15am. Children should come to school between 8:45am and 9:15am so that they are safe in the playground. Please do not bring your child earlier than this time and leave them unsupervised in the playground. Similarly, please collect your child by 3:30pm, or arrange for them to be supervised after school. Lately we have had instances of children waiting at school for an after-school activity to commence. Our school policy, which has been endorsed by the P&C, is that any child who is brought to school early or not picked up by 3:30pm will be accompanied to the Before and After School Care Centre. The Centre will then invoice the parents for the time their child is there. Please help LEPS keep your children safe by observing these school hours.

Fabulous assembly items
Thank you to 5/6EH, 3MS and 3/4MM who entertained the assemblies this week with highly enjoyable items. 3/4MM displayed their vocal and drama skills with a great rendition of Jim Jones, 3MS demonstrated the way they have learned about percussion, and 5/6EH presented some very impressive movie trailers which they had made on the iPads using the iMovie application. Thank you to the students and teachers involved with these performances.
No More Warnings
Yesterday the North Shore Commander, Superintendent Doreen Cruickshank of the Chatswood Police, asked schools to pass on to parents the message that Police officers will be targeting safe driving around school zones. Police and local council officers specifically asked us to advise parents that there would be “no more warnings” for infringements; they intend to enforce driving and parking rules and laws in order to keep school children safe around schools. We know that all parents wish to keep children safe, so we ask for your co-operation in this matter.

State Music Camp
Last Friday night it was my very great pleasure to attend a concert which closed the 2014 NSW State Music Camp. Ten talented musicians from LEPS participated alongside hundreds of other students in the week-long camp, where they had master classes in their chosen instrument or choir, and rehearsed in various ensembles. The standard of music was extraordinary, and I reflected on how lucky these children are that such opportunities exist within the public school system. The musical confidence and expertise displayed by each student is bound to remain throughout their lives. Congratulations to the following students for being selected for this prestigious camp; Tara B, Sara C, Angus K, Ada M, Alyssa M, Ashleigh O, Chanhee P, Carla R-M, Oscar R, Tong Z.

Ryde Schools’ Spectacular
Congratulations to the 1-3 Dance Troupe and Miss Alyce Kelly who have been successful in their audition for the Ryde Schools’ Spectacular! They will be performing at the Sydney Opera House on October 13th and we know they will be stunning ambassadors for LEPS! Well done, dancers!

‘LEPS COLLABORATIVE LEARNING SESSION’

‘Practical strategies for parents to support their child/ren in Number and Working Mathematically’

Lindfield East Public School is presenting another mathematics information afternoon. This session will inform parents how teachers educate students in the Number and Working Mathematically strands of Mathematics. The two sessions, K-2 and Years 3-6, will feature LEPS teachers providing practical strategies for parents to support their child working mathematically with numbers.

We will discuss and engage with:
- Number strategies
- Working mathematically processes
- How the iPad can be used to teach and consolidate concepts
- How you can support your child at home

Library News

Lost Property seems to be growing by the day, and we’re only in to week 2!

A large number of beautiful drink bottles and lunch boxes are appearing without names, making it impossible to return to their owners. It is good to see hats and blue jumpers are being named, but please remember to put a last name or initial as well – as there could be a number of children at the School with the same first or last name. If you have been given a hat or jumper/jacket by a family no longer at the School, please relabel the item or it will be donated to the Uniform Shop if we cannot find the owner.

Unnamed items currently in Lost Property include a Woolworths eco bag with children’s books, denim, purple and blue jackets, pink thick socks, a Colin Buchanan DVD, a plastic bag with kiwi outfit from Harmony Day, a Ray Ban hard glasses case (no glasses) and a pink CD case with CD’s, and a Tasmanian Tiger hand puppet.

Primary Lost Property can be found near the 3-6 covered area or in the Sick Bay in the Office. Valuables (wallets, glasses and keys) can be claimed from the front Office.

**WELCOME TO LEPS**

Starting at a new school can be overwhelming for children & parents alike. There are so many new faces & new routines to learn, and even if you have had children enrolled for a while, in our big school you may still feel a little lost.

We have a lovely tradition at our school of casual coffee shop catch-ups in our neighbourhood café. We aim to make you feel part of this wonderful community. Come along and join us one day

**Where:** The Deli in the Park (café in the row of shops off Wellington Rd, East Lindfield)
**When:** from 9:15am on Mondays:

4 August, 18 August, 1 September & 15 September

To help us connect you with the other parents in your child’s class or start answering your queries, please email your names and contact details to: welcome2leps@gmail.com
We would love to meet you, and we welcome all your feedback.

Kind regards
Debbie Jenkins (0419 258 650) & Eleanor Macintyre (0422 799 429)

The 2013 | 2014 Entertainment™ Book has just expired. Hurry! It's time to get your new Book, before it sells out.

The 2013|2014 Sydney and Sydney North Entertainment™ Books have just expired. If you haven't already purchased a new 2014|2015 Entertainment™ Membership, now is the time to do so. Use just a few of the hundreds of 50% off and 2-for-1 offers, and you'll more than cover the cost of your Entertainment™ Membership. Plus, you can take advantage of additional, valuable Member-only benefits until 1 June 2015!

Plus, 20% from every Entertainment™ Membership we sell contributes towards our fundraising! The more Entertainment™ Memberships we sell, the more we raise — so please forward this email to your family and friends!

ORDER NOW.

“Each year we only need to use the Entertainment™ Book twice for it to pay for itself. Not only is it a great investment for the family, but it encourages us to experience new places and gives us lots of ideas of things to do with our kids.” — Andrea
