Jason Y excels at the Swimming Nationals
Year 5 swim sensation, Jason Y proudly represented LEPS and NSW last week. Jason's family would like to thank “all the LEPS family for the great support given toward Jason for his first School Sports Australia National Swimming Championship held in Melbourne“.
Swimming in the 10yrs age division, Jason commented that he had great fun, made lots of new friends from NSW and other States and got to experience the city of Melbourne.

Jason's race results
2 x Gold - 200M Individual Medley, 4x50M Freestyle Relay (New Record)
1 Silver - 4x50M Medley Relay (Backstroke leg)
1 Bronze - 100M Breaststroke
5 Finals - 50M Free (6th), 100 Free (6th), 50M Backstroke (4th), 100M Backstroke (5th), 50M Breaststroke (4th)

60th Anniversary of the first Education Week
'Education is the greatest right, the greatest gift and the most empowering acquisition' - an Education Week message from Her Excellency, Professor Marie Bashir the Governor of NSW.
Public Education began over 130 years ago in NSW and remains today, a system proud of its inclusiveness of all young Australians. At LEPS this week our Open Day attracted hundreds of parents and offered a showcase of the high quality and diversity of curriculum on offer to our students.

A Message From NSW Minister for Education, Adrian Piccoli
Education Week 2014 will take on extra significance this year as we mark the 60th anniversary of the first celebration of every public school in NSW. In 1954, Education week was launched under the slogan, “Lighting the way to a better world” and students from approximately 200 schools participated in its week-long celebration. Public education has come a long way since then but the goal remains the same – to provide the best possible learning opportunities for all students across the State. Education Week 2014 is an opportunity to let the community know about the achievements of our schools, colleges and other educational centres over the past 60 years. It is an opportunity to reconnect with those who have graduated from a NSW public school and who have contributed a great deal to our society and culture. Education week is also an opportunity to celebrate our commitment to public education, and the NSW Government is implementing significant reforms across the public school sector. The most notable of these reforms is the rollout of needs based funding through the Resource Allocation Model (RAM), which has seen $100 million in additional funding flow to NSW public schools this year. The NSW State Budget, announced last month, confirms a further $249 million for public schools in 2015, made possible by the NSW Government signing the ‘Gonski’ agreement. This funding will help to deepen and accelerate the reforms already underway in public education in NSW, particularly our reforms to increase quality teaching, provide principals with greater authority, and improving opportunities for students in rural and remote NSW. It’s an exciting time for public schools in NSW and Education Week 2014 gives us the opportunity to celebrate our past while also looking ahead to an exciting future.
Year 6 Visit the Bush Capital and the Snow
As part of teaching the HSIE units of 'Australian Democracy' and 'State and Federal Parliament', Year 6 made their annual visit to the nation's capital, Canberra last week.

Tours of both Old and New Parliament House outlined the origins and processes of our democratic political system. Students had the opportunity to participate in a mock parliamentary session and also use interactive technology to discover facts about our former Prime Ministers. The students also visited the Australian War Memorial, toured the Embassies and learnt the story of Federation at the National Capital Exhibition.

On Thursday, Smiggins Hole provided many LEPS students with their first snow experience. Thanks Mr Lowe, Miss Hewitt, Ms Rixon and Mrs Nielsen for coordinating such a wonderful experience.

The LEAP program
As part of the Leading Educators Around the Planet (LEAP) program, LEPS is hosting a Vice Principal, Ms Alison Golding, from Alliston Union Public School in Ontario, Canada, from 26 July to 10 August. LEAP is an innovative international leadership program connecting school leaders around the world in a collaborative peer shadowing and shared action-research experience. Ms Read will be hosting Ms Golding, who in turn will host Ms Read when she travels to Ontario during the spring vacation. The children at LEPS have welcomed Ms Golding who has had a very busy week participating in Education Week Open Day, NAIDOC Day and workshops with Stephen Heppell at UTS Lindfield. Ms Golding is generously sharing her knowledge and expertise with LEPS staff during her stay and is looking forward to another productive week! For further information about the Simcoe County School Board and the school where Ms Golding works, access the blog at http://sharingsimcoe.com/alison-golding/

String Ensemble—Bunnings BBQ Fundraiser
The string ensemble held a successful BBQ fundraiser at Bunnings Chatswood last Sunday. A significant amount of money was also raised by students from the string ensemble busking in the car park and also by special invitation in the store! Many thanks to Mandy Chou, String ensemble coordinator, and also the parents who work tirelessly to ensure that funds are available for music resources and for students to participate in music festivals, workshops and eisteddfods.

App of the Week
Solar Walk $2.99
Solar Walk is a beautifully-designed educational application about the solar system. This 3D solar system model lets you navigate between planets, see their positions on a specific date, explore how they move and why. You will see the entire Milky Way galaxy from afar and zoom in to study all the planet and satellites in close-up, learn their trajectories, inner structures, history of their exploration, and geography.

Access the school website to view a list of all the apps.
Walk-a-thon next week

This is a reminder that our Walk-a-thon will take place next Thursday (7th August). All children in the school will walk around the neighbourhood, accompanied by their teachers, parent volunteers and the Chatswood Police Youth Liaison Officer, Constable Misty Boss. The Walk-a-thon is a fundraising initiative of the LEPS P & C and we invite parents to help their children gather sponsorship pledges, as all money raised goes towards enhancing the educational facilities and experiences of your children at LEPS.

Another outcome of the Walk-a-thon is to highlight road safety messages. At the Principals’ Forum last week, the Road Safety Officer from Willoughby Council informed us that the vast majority of pedestrian road accidents involving children still happen ‘between kerbs’ – in other words, when children are attempting to cross roads. We ask for your support in modelling and reinforcing these safety messages.

LEPS community helps plan the future of education in Ku-ring-gai

Imagine a school where all written work was done on interactive walls and floors and then photographed. Where students could eat recess and lunch when they were hungry, rather than at set times. A school where hard seats and rectangular tables were replaced by soft, tiered seating, beanbags and even sleeping pods. Where classrooms are designed with fun in mind? Does it sound unlikely? These were some of the many ideas presented by Professor Stephen Heppell in his presentation about the future of the UTS Ku-ring-gai site in Lindfield, and all of these ideas are in fact already happening in schools in Australia and around the world. This week, a group of staff, students and parents from LEPS and neighbouring primary and high schools attended a consultation session hosted by Professor Heppell, a world-renowned expert in educational environments and innovative learning. Jade N and Alex N (Year 5 SRC Representatives), Wendy Vider (parent) and Rob Mills (parent and P & C President) along with Ms Diane Read, Ms Alison Golding (Vice Principal from Ontario on exchange) and myself discussed ideas for classrooms that would make learning even more effective...and fun! Indoor / outdoor learning centres, brightly coloured surfaces, multiple large screens and interchangeable rooms were some of the ideas to come from our table. Although there were many amazing ideas, one thing was crystal clear; parents, teachers and students alike all want education that is engaging, meaningful and effective, and really prepares students for life. As the consultation process for the UTS site progresses, the LEPS community has the opportunity to contribute to the creation of an educational facility that may provide this kind of education. Now that’s an exciting idea!

**Education Week combined scripture service**
SRE (Special Religious Education) and SEE (Special Education in Ethics) are valued programs that run in NSW Public Schools. Each week, SRE and SEE teachers, many of whom are volunteers, teach students in groups that have been chosen by families. Education Week is an opportunity to acknowledge the contributions of the SRE and SEE teachers in the holistic education of our students and is usually celebrated with a combined scripture service. We are very grateful to the scripture teachers, and in particular Mrs Shauna Noble, who once again provided our students with a highly enjoyable session where they were entertained and instructed by ‘The Burt and Benny Show’. We thank the scripture and ethics teachers for their dedication and commitment to the programs they run, and for the positive influence these programs have on the lives of our young students.

**Leave forms**
If you know your child is going to be absent from school for more than 15 school days, we ask that you request an “Application for Exemption from Attendance at School” form from the office and fill it out prior to the leave. All leave of more than 15 school days needs to be approved by the Principal, who will sign the exemption certificate and return it to you.

**Spelling Bee**
LEPS Super Spellers are about to be put through their paces! The Premier’s Spelling Bee Regional Finals are going to be held at our school on September 10th, and Mr Campbell and Miss Pullen are organising the preliminary heats to discover two students from Years 3 and 4, and two students from Years 5 and 6 who will represent LEPS at this prestigious competition. Watch this space for more information about how the heats will be run...and in the meantime, close your eyes and spell ‘quandary’...or how about ‘fluorescence’?

Lindfield East Public School is presenting another mathematics information afternoon. This session will inform parents how teachers educate students in the Number and Working Mathematically strands of Mathematics. The two sessions, K-2 and Years 3-6, will feature LEPS teachers providing practical strategies for parents to support their child working mathematically with numbers.

We will discuss and engage with:
- Number strategies
- Working mathematically processes
- How the iPad can be used to teach and consolidate concepts
- How you can support your child at home

If you would like to attend, please fill in the form below and return to school by Friday 1 August.

LOST PROPERTY

Lost Property seems to be growing by the day, and we're only in to week 3!

A large number of beautiful drink bottles and lunch boxes are appearing without names, making it impossible to return to their owners. It is good to see hats and blue jumpers are being named, but please remember to put a last name or initial as well – as there could be a number of children at the School with the same first or last name. If you have been given a hat or jumper/jacket by a family no longer at the School, please relabel the item or it will be donated to the Uniform Shop if we cannot find the owner.

Unnamed items currently in Lost Property include a Woolworths eco bag with children's books, denim, purple and blue jackets, pink thick socks, a Colin Buchanan DVD, a plastic bag with kiwi outfit from Harmony Day, a Ray Ban hard glasses case (no glasses) and a pink CD case with CD's, and a Tasmanian Tiger hand puppet.

Primary Lost Property can be found near the 3-6 covered area or in the Sick Bay in the Office. Valuables (wallets, glasses and keys) can be claimed from the front Office.

BASC NEWS

We are close to entering back into the 21st century. Our new computer and internet problems will be resolved by next week- YAY!
Accounts will be out this week and payable before 13th August.
As you may be aware I am like the 'Old woman who lived in a shoe' we have so many children... we now have a waitlist for Monday, Tuesday and Thursday afternoons and Tuesday mornings. If you do require before school care you are now required to book. 'No Call - No Morning Care!'. There are NO places on Tuesday morning so please do not turn up. We do have some places on other days but they are limited. Understandably we are under pressure to accept everyone's bookings and minimise the waitlist. We hear your desperation but please understand we must comply with Regulations. Please refrain requesting our Educators to queue jump waitlisted families and give you a place. We will contact you as soon as we have something for you so there is no need to constantly ask.
For those of you fortunate to have a permanent booking, everyone would appreciate it if you could call 24hrs before 9am if your child will not be attending their afternoon session.
Thank you for your assistance!
On a brighter note I am on leave from 15th August until 13th October.

Stormy Beach

“Do I have to?: Natasha wailed. The sky was black and the waves were monstrous. A lightning bolt struck the sea and the water sizzled. On the beach the sand was wet and sticky. Natasha and Sally stood on the crumbling sand dunes. Their hair was whipping them and their wind proof jackets were about to be torn off them. The wind was so ferocious that whichever way the girls walked, the wind nearly made them topple over. The sand was so water-logged that when the girls dug into it they could feel the water beneath. By Ada M

The Mysterious Person

The scariest place. The lightning shattering on the water. The beach like a stranded island with just one tree on it. There is one person on the beach. Her name is Sophia. She is waiting for a mysterious person who has been gone for five years. By Sophia N

Stormy Beach

“Do you want to come to the beach?” asked Chloe. “Sure.” replied Stacey in a quiet voice. The beach was a picturesque scene. They felt the sand crunch underneath their feet as they walked along the shore. There was not a cloud to be seen in the sky,. The waves crashed in a synchronised rhythm over and over again. The birds squawked at each other as if they were in deep conversation. Stacey, being a shy, timid person, cautiously walked across the beach. Chloe was a bold and adventurous person, she didn’t mind where she went as long as it was fun. By Alicia Y

Stormy Beach

Stormy clouds covered the sky keeping all life away from the beach except one. This “one” is in fact weak and not quiet as pretty as the others, he does not talk much but he’s still not scared of being alone in the dark on a rocky beach that is known for being mysterious and unpredictable. The beach roars at the man but he refuses to leave. By Natalie S

The Terror Night

It was a freezing, stormy night. The wind swirled viciously, while the waves crashed on the beach. “Hurry we are going to be late for dinner!” shouted Matilda to her best friend Molly. With a quick sigh Molly kept on running ahead. Their cheeks stang as the sand and water hit their panting faces. The thunder roared aggressively and the lightning zig zagged brightly across the sky seeking destruction. Fear pricked up Matilda’s spine as she watched in despair. By Samantha G

Stormy Beach

It was a stormy night and the beach was empty. The footprints were all smudged into the soft yellow sand. The blue sky was concealed with dark clouds full of lightning. The raging waves were smashing against the shoreline. There were no seagulls or any other living thing. The thunder boomed as loud as a lions roar. It was a normal, stormy and gloomy storm on the beach. By Yuvraj L

The Stormy Beach

It was a grim and gloomy day. The beach was cold, my feet were dug into the sand wiggling my toes. “Smash, bash”, the waves were dumping like an elephant’s trunk blowing out water. The creamy clouds covered the last bit of sun. I heard loud thunder, louder than a gun shot. I saw it, a lightning bolt coming closer and bam, I was knocked out and disappeared into a tropical rainforest. By Harry F

Why have your children learn to Touch Type?
Typing is something that everyone will most likely need to do on a daily basis. It is an essential part of working/school life, so why not learn how to touch type?

With the help of software, we help children to have fun whilst learning something that can be boring and tedious, with games and tests. Throughout the term, the emphasis is on teaching in bite size steps, building from the first few ‘home’ keys and gradually working up to the full keyboard in a manageable and fun way.

WELCOME TO LEPS

Starting at a new school can be overwhelming for children & parents alike. There are so many new faces & new routines to learn, and even if you have had children enrolled for a while, in our big school you may still feel a little lost.

We have a lovely tradition at our school of casual coffee shop catch-ups in our neighbourhood café. We aim to make you feel part of this wonderful community. Come along and join us one day

Where: The Deli in the Park (café in the row of shops off Wellington Rd, East Lindfield)
When: from 9:15am on Mondays:
