Speechies Support LEPS
As part of the professional learning program at LEPS, the staff were provided quality training by ‘All Communications Matter’ - Speech Pathology this week. Early identification and intervention by speech pathologists can prove integral to a child's language development. Too often their expertise and knowledge aren't integrated with the work of the classroom teacher. At LEPS we are trialling a partnership with ‘All Communications Matter’ in 2014. The company comes referred by Lindfield PS who have over 35 students utilising their services on site, 5 days a week. Parents are of course free to choose from any of the quality providers in our local area, however, the question of time, convenience, travel and having the recommendations communicated to the classroom teacher can be challenging. Our trial with Natasha and Angela involves ongoing staff training, teachers being provided the opportunity to attend their students' sessions with the ‘Speechies’ and minimized disruption with these occurring during the LEPS school day.

Community Partners - Bendigo
The Lindfield Bendigo Community Bank continues to build its relationship with LEPS. Having established itself locally in recent years, Bendigo's Clive (school liaison) now collects around 100 student bank books weekly. Please contact the front office if you would like your child to open an account.

It’s Lyrebird Season
The annual rugby tri-series between LEPS, Lindfield PS and Roseville PS has been eagerly contested over the past 3 weeks at Tryon Oval. Named in honour of a former LEPS student and Wallabies Captain, the 'Stirling Mortlock Cup' was retained by Roseville in 2014. Despite a convincing 62-19 win on Monday over Lindfield PS, the closer 38-28 loss to Roseville in the first match relegated the Lyrebirds to runners-up this year. Congratulations to all the boys for the sporting spirit in which you played the games. Thank you to Harry N who exhibited strong leadership in the captain's role and also to former Lyrebird captain and Killara High School student, Luke Reimer, who kindly returned to coach the boys.

Nick T's 'runaway freight train' style saw him announced as player of the series. Crossing the try line 9 times in 2 games, Nick proved to be a real handful for the opposition and very entertaining for the crowd.

The junior Lyrebirds will now join the senior team in the upcoming Rugby 7’s competition.

Lessons Afloat

On Tuesday 12 August, students in Year 2 attended an excursion entitled ‘Lessons Afloat’ as part of their HSIE unit on ‘Transport’. Students embarked on the ferry Proclaim at Jeffrey Street Wharf and travelled around the harbour, stopping at Shark Island and Clifton Gardens for lunch. The ‘Lesson Afloat’ commentary was both informative and entertaining with emphasis on student participation. Many thanks to the parent volunteers who supported the teachers on the day. To view a slideshow of photos select the link below.

I liked Shark Island because there was a stone house. Isaac 2SE

My favourite part about the excursion was on the boat because it rocked a lot at the start. We got to see lots of things that go on water or in water and belong to transport. Mackenzie 2SE

When I went on the boat I learnt things like the deepest part of the water is 42metres. Alisha 2SE

I loved Clifton Gardens because we built a giant sandcastle. Flynn 2SE

The Sydney Harbour Bridge is 134m high. We saw a fast ferry, passenger liner, ships, tug boats, water police, ANZAC Bridge, Opera House and of course the Harbour Bridge. Lauren 2SE

Canteen Survey

The P&C Nutrition and Wellbeing Working Party is undergoing a review of the LEPS Canteen Policy.

Your feedback is important to us so please take 5 minutes to complete the survey by Tuesday 19 August.

Yesterday a Korean lady called Soomi taught us about some of the Korean clothing and how to speak Korean. We also got to try the costumes on. We learnt how to bow which is a custom in Korea.

Tilsley’s Training and Tasty Tips
Creating a Commonwealth or Olympic decathlon around your house.
As a parent and a PE teacher I am always looking for exciting ways to keep my children active, as well as developing their skills as well. The other day my daughter wanted to play catch with me outside which I obviously love doing. The Commonwealth Games were on at this stage, specifically the heptathlon. I decided it would be a good idea to construct one for my daughters to do together, allowing me time to do the things I had to do. You need to cater it for your child’s ability, though once I got my children going they didn’t stop for well over an hour. This is something they can do happily on their own.

Some examples are:

1. Right hand and left hand underarm throws to a wall from a defined point and catch. How many can you catch in a row before making a mistake?
2. Basketball Dribbling – how many bounces in 1 minute? Always incorporate dominant and non-dominant hand in the skills, where possible. Have a clock accessible.
3. Chest and Shoulder Pass – against a wall and catch from a defined spot. How many can you catch before you make a mistake?
4. Hitting against a wall – how many shots until you make a mistake?
5. Medium to long distance - How long to run around the block?
6. Sprinting - Mark two defined points between 50 and 200m apart and time yourself.
7. Others could be based on – vertical jump, soccer passing, distances, kicking.

How it works:

1. I write all the different events down, numbered on a piece of paper. The children set off doing the exercises trying to achieve their personal best results and recording how they went at each event. E.g. Chest passes against a wall and catch. Their best result is 10 in a row without an error. They would only change it if they got 11 or more. Then they have to try and beat that personal best afterwards or go onto another event.
2. They usually start off with 1 or 2 as their personal best result, although once the children start to get the idea they slowly improve. Every few minutes my daughters came running into the house saying, “Dad I did this, come and look!” You also need to check that they are doing each event correctly, i.e throwing from the spot and not moving in closer which will obviously make it easier and skew their results.
3. I keep the results up on the wall and every week or so I might discuss with them how they are going. This in turn encourages them to continue to beat their personal best results.
4. Ensure the children warm-up before physical activity.
5. Afterwards stretch with your children while they happily tell you about their achievements.

App of the Week
Equivalent fractions
By National Council of Teachers of Mathematics
Create equivalent fractions by dividing and shading squares or circles, and match each fraction to its location on the number line. Check your work, and use the table feature to capture results and look for patterns. Got a particular value for which you’d like to make equivalent fractions? Use “Build Your Own” mode.

Access the school website to view a list of all the apps.
**Walk-a-Thon**

Our annual LEPS Walk-a-Thon was another great event, enthusiastically embraced by all students. We were all very excited to see so many members of the Chatswood Police and Hornsby Traffic Patrol on deck to help us stay safe, and to reinforce road safety messages. Our special thanks go to Constable Misty Boss, who is the Youth Liaison Officer for the Chatswood Area Command, and her team.

We are also extremely grateful to the many parents who were stationed around the streets to guide teachers and students through the course and provide encouragement. Thank you also to the parents who counted all the money – we have raised over $12 000.00 so far, which is a fantastic effort! If you have outstanding pledges, could you please make sure they come to the school immediately, as the cut-off time for the prizes is lunchtime Friday.

In particular, Kathryn Oaten and Tracey Rath did an amazing job with the organisation, and our sincere thanks go to them for giving their time and expertise to raise money to supplement school resources. Such generous parental involvement is part of what makes LEPS a truly great school and everyone’s contributions are very much appreciated.

**School Tour Dates 2014**

28 August  
9 October  
30 October  
20 November (Years 1-6 new families only)  
All tours commence at 9:30am outside the Library

**Early arrivals at school**

Could we please remind parents NOT to drop children at school before 8:45am unless they have a supervised activity. There are some children who are being left unattended at school as early as 8:15am, and others who are dropped off in neighbouring streets early and told to walk so they arrive closer to 8:45am. Children can become anxious in both instances, and teachers are not available to supervise. Please help us keep all our children safe by ensuring that they arrive at school after 8:45am.

**Spectacular Spellers!**

Congratulations to Ming-Lok S (5ST), Matthew L (6JR), Jessica L (4MH) and Ryan L (4KP) who held their nerve through many knock-out rounds to emerge as our Spelling Bee finalists! They will now represent LEPS at the Regional Final to be held in our school hall on September 10th. These super spellers will battle it out for a place in the next round, and we wish them luck as they prepare with their lists of tricky, unusual and downright difficult words!

Zone Athletic Carnival Results
A great day was had by the students at the Zone Athletics carnival. A big thank you to Cheryl McNamara, Dale Winckel, Cate Bligh-Jones, Jessica Raimond, Lynda Farrington, Emma Hunt and Carolyn Walsh for their assistance on the day. The competition was very tough this year. Despite this, LEPS had some fantastic results and several Personal Best’s PB’s were achieved across all the disciplines. Congratulations LEPS on finishing 5th this year. Keep up the hard work.

Year 6 Excursion to Canberra and the Snowy Mountains - 23-25 July

Australian Government Assistance for National Capital Excursion

In Week 2, all of Year 6 took part in a 3 day overnight excursion to Canberra and the Snowy Mountains. During their visit to Canberra, the students participated in educational tours of the national capital. While on this tour, they participated in a variety of educational programs focused on Australia’s history, culture, heritage and democracy that students have been studying at school as part of the HSIE Program.

The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. To assist parents in meeting the cost of the excursion, the Australian Government will contribute $20 per eligible student under the Parliament and Civics Education Rebate (PACER) program toward the travel expenses incurred. Parents, please note that this contribution was already factored into the costs and deducted from your overall payment of the excursion.

We would like to thank the Australian Government for their support of this program.

### BASC NEWS

Well this is it... I am on leave from tomorrow and return from my adventures October 13th.

There are a number of events occurring over the next 2 weeks.

We are installing new bubblers and all the bathroom and outdoor taps will soon be fitted with timer taps.

Sound insulation notice boards will also be installed in the craft room quiet room and main room. This will not only jazz the place up but help reduce the noise (love that on rainy days!)

Thursday 4th September 10-1.30 is Asthma and Anaphylaxis Training. There may be a few places available. If you would like to attend this accredited course please see Edie.

Please remember to pay your account to keep your place.

We have a number of families on the waitlist for Monday, Tuesday, Thursday afternoon. Our $10 search fee is now in place if you fail to call (9416 1357 24hrs) to inform your child will not be attending.

So be good while I'm away and Bon Voyage!

Rebecca

P.S Have you thought about joining our Committee? We have 1-2 meetings a term 6.30-7.30pm. (nibbles and drinks provided)
Starting at a new school can be overwhelming for children & parents alike. There are so many new faces & new routines to learn, and even if you have had children enrolled for a while, in our big school you may still feel a little lost.

We have a lovely tradition at our school of casual coffee shop catch-ups in our neighbourhood café. We aim to make you feel part of this wonderful community. Come along and join us one day

Where: The Deli in the Park (café in the row of shops off Wellington Rd, East Lindfield)
When: from 9:15am on Mondays:  
18 August, 1 September & 15 September

To help us connect you with the other parents in your child’s class or start answering your queries, please email your names and contact details to: welcome2leps@gmail.com

We would love to meet you, and we welcome all your feedback.

Kind regards
Debbie Jenkins (0419 258 650) & Eleanor Macintyre (0422 799 429)
