Look out! Jasper’s about!

It is a new year at Lyrebird Public School. Students and teachers are happily settling into a routine, except for the School Captain, who has her suspicions about the new Year 6 boy. Who was he whispering to in the shadows at Welcome Back night? And when strange messages start displaying on the Smartboards in classrooms, she knows for certain that something is wrong. Very wrong...

Korean Partners

In 2013, LEPS were successful in attaining inclusion in the highly sought BRIDGE connect program. Miss Annette Medana, our ESL teacher, flew to Melbourne last week to meet with Mrs Soomi Song and other Australian educators being introduced to their new Korean sister schools. Naeri School in Busan, Korea, was selected to build an educational alliance with LEPS. The Melbourne conference allowed all school representatives to meet and collaboratively develop a strategic plan for developing an authentic link with their respective school communities.

Mrs Song spent last week at LEPS. She visited classes, shadowed Miss Medana and presented to staff. We hope the return visit by Miss Medana in September sets the platform for another strong global connection.

Special thanks to Denise Halliday and her family for hosting Mrs Song during her visit to Sydney.

Ark Veterinary – Community Partners

Part of the LEPS Eco-Garden’s goal is to provide all K-6 students with the opportunity to develop an understanding, care and respect for animals. Our school currently keeps ‘Splodge’ the guinea pig, ‘Freckles’ the rabbit (currently on the loose) and six Isa Brown laying hens. Mrs Chowne is leading the introduction of a new aviary with a focus on housing endangered birds, indigenous to the Ku-ring-gai area. In order to assist our teachers on the ‘Environmental Committee’ in incorporating companion pets into our school curriculum, we would like to acknowledge Nuleaf nursery in Terrey Hills and also Ark Veterinary Hospital on the Highway at Lindfield. Both kindly volunteer their knowledge and services.

**App of the Week**

The new Bee-Bot App has been developed based on the Bee-Bot floor robot. The app makes use of Bee-Bot's keypad functionality and enables children to improve their skills in directional language and programming through sequences of forwards, backwards, left and right 90 degree turns.

The app has been developed with 12 levels encouraging progression. Each level is timed and the faster it is completed the more stars you get! The levels are set in an engaging garden scenario and will appeal from age 4 upwards.

Access the school website to view a list of all the apps.

**LEPS Collaborative Learning Session**

On Wednesday 13 and 20 August, LEPS teachers Marie Elliott, Lauren Mason, Connie Sawyer and Deanna Sonter facilitated mathematics information sessions for parents. The two sessions, K-2 and Years 3-6 provided practical strategies for parents to support their child/ren in Number and Working Mathematically. Parents discussed and engaged with number strategies, how to work mathematically, how the iPad is used to teach and consolidate concepts and how to support children at home with maths. Both parents and teachers enjoyed the sessions!

Many thanks to the teachers for preparing and presenting engaging and useful information.

The Australian curriculum is being implemented in New South Wales through new syllabuses developed by the Board of Studies for English, Mathematics, Science and Technology, and History.

At LEPS we are implementing the new English and Mathematics Syllabus for the Australian Curriculum. The purpose of this session is to provide parents with an overview of the outcomes, content and key ideas of both syllabus documents.

LEPS Celebrates Books and Book Week
Have you seen our magnificent LEPS tree and treehouse in the library? Created by Mrs Pearce and many helpers, it is the centrepiece of our studies on ‘The 26 Storey Treehouse’, written by Andy Griffiths. In a few weeks, children in Years 3 – 6 will attend a performance based on the book, which will really bring the characters and action to life!

At LEPS, we love books because…. 
...they make me happy. **Jessica K KKM**  
...they can take you to places that you can’t really go. **Isabella B 5/6EH**  
...you make up your own story using your imagination. **Sophie H 6CL**  
...they can help your education and they’re fun. **Max T 4ME**  
...the pictures give you ideas. **Lily J 1HT**  
...you can keep them forever. **Mitchell M 5LM**  
...if you read them you can know what to do. Like in a cooking book. **Jasper A KJP**  
...they give me an adventure in my mind. **Eloise B 4KP**  
...you can go anywhere in them. **Nicholas H 2SE**  
...they’re educational and take you into a new world of adventure. **Lily R 6CL**  
...they’re like someone sending all their imagination and knowledge out, like a boat going out. **Keira K 2SE**  
...if you don’t know words you can copy them when you do your writing. **Gabriella H 1HT**

Have you seen our new mural?
As part of our NAIDOC Day activities, all children in the school had the opportunity to contribute to this stunning art work. Come and have a look at it! It’s located in the courtyard behind the library.

Jasper Rust Part 2
Our 2014 Gifted Writing Group of Year 5 and 6 students has been meeting once a week during Terms 2 and 3, putting together the outline for a new Lyrebird Public School adventure. Under the mentorship of local author (and LEPS dad) Tony Davis, and coordinated by Mrs McNamara, the group has enjoyed a series of writing master classes, honing their writing skills and developing ideas for the second instalment in the *Lyrebird Public* series. The talented writing team of Miles J, Harrison K, Douglas W, Vicky S, Eugenia S and Ming-Lok S will soon be joined by fellow Year 5 and 6 students- Brodie F, Emma S, Max J and Tara B, who will bring the story to life with their illustrations.

Look out for more information about book number two in this exciting series. And don't forget, 2013's instalment The Strange Case of Jasper Rust is still available from the office if you missed out last year.
Good readers make good writers!
Students in Year 3 have been working hard on their writing with their teachers and Miss Medana.

“I got to my feet and made my way to the window. I opened it and leaned out. The cool breeze whipped my hair and warm rays of sunlight shone in my face, so I quickly shielded my face.”
Maya S 3MS

“The crack of dim light peered through a cloud, yet it was still inky black.” Elodie L 3MS

“I walked in and suddenly the gate slammed shut behind me. I had the strange sensation that someone was watching. Instantly, all the owls squawked and flew off, as if someone – or something – had disturbed them.” George N 3MS

“In the Dreamtime, there was a very angry snake. He was very stubborn and lazy as well. He ate eggs or scraps from other animals because he was too lazy!” Claire S 3MM

“Once there was a factory buried underground…..there was a person who devoted his whole life to studying it. And he got no information. So he decided to do something daring….something crazy. He was going to break in!” Andy L 3CE

“As he presented a speech to himself in joy, he did not notice as a slick smile spread across Lebby’s face.” Maddie C 3CE

“My invention is called the M ‘n’ M Exterminator. This invention makes ice cubes melt and turns them into giant magical M ‘n’ M’s!” Madeleine S 3MM

“It was a cool and windy autumn day. The leaves brushed the floor with colour.” Christine L 3RF

“Children were rushing to the circus grounds in their hundreds for the Grand Opening of the circus which had arrived in town.” Angus B 3RF

“It was a wild, stormy night at sea. There were dark, ominous clouds drifting stealthily across the watery landscape.” Christian K 3RF

“Here and there signs in English and Chinese were advertising shops and businesses. All around, people were crowding the streets. Close by, the delicious smells of dumplings and noodles were wafting through the air, making peoples’ mouths water.” Matthew F 3RF
