PRINCIPAL’S REPORT
Andrew Stevenson

Spring Holidays!
Well, what a dynamic term! Our teachers have once again provided our students with many rich and diverse learning opportunities. I know both the students and teachers are looking forward to a holiday break after what has been an amazing Term 3. Staff and students return on Tuesday 7 October. Note that there is no Staff Development Day (aka Pupil Free Day) to begin Term 4. Monday 6 October is a Public holiday. Please keep an eye on our school and call School Security direct if you have any concerns over the holidays - 1300 880 021.

The Magic of Musicals
Record crowds, warm spring weather, outstanding choreography, colourful costumes, memorable music and moustached teachers all contributed to what many are describing as the best LEPS Dance Extravaganza ever!

A huge thanks to Dance2BeFit, our program providers, who, with DP Rachel Watkins coordinated an amazing showcase of K-6 dance.

(See report and photos on page 7)

Communication Upgrade at LEPS
From Term 4 LEPS will join over 1600 other schools nationwide in utilising Skoolbag, an App based system to enhance communication with parents. Simply download the LEPS Skoolbag School Mobile App on either your Apple or Android device and you’re on your way with this comprehensive communication tool. Easy access to the Lyrebird, notes, alerts (late buses, cancellations, breaking news), events calendar, sick notes, LEPS Facebook and Twitter... all on your phone. Using push alerts, the school will notify you when they have a message for you.

LEPS will continue to run our current communication systems in conjunction with Skoolbag during the trial period. See page 6 for more information.

Onesies & PJs for Menindee
The LEPs playground came alive today with the SRC Disco theme of ‘PJs and Onesies for Menindee’. Tigers, Penguins, Dragons, Unicorns, Angry Birds, along with plenty of pyjamas and dressing gowns transformed the dress code. All proceeds from the Disco fundraiser will be directed towards supporting the Menindee students’ annual visit to Sydney. Each year, LEPS contributions allow us to provide all meals, activities and transport for our sister school and for us to reciprocate the generosity they extend to us as hosts in Menindee.

The LEAP program
As part of the Leading Educators Around the Planet (LEAP) program, LEPS hosted Vice Principal, Mrs Alison Golding, from Alliston Union Public School in Ontario Canada earlier in the term. LEAP is an innovative international leadership program connecting school leaders around the world in a collaborative peer shadowing and shared action-research experience. I hosted Ms Golding, who in turn will be my host when I travel to Ontario today. I will shadow Mrs Golding, participate in professional development activities and visit schools in the area for my research topic ‘Bring Your Own Device’.

LEPS String Ensemble
Congratulations to the students in the string ensemble for their wonderful performance at Swain Gardens, Killara, on Sunday. It was a lovely spring day and a beautiful garden! Students arrived early for an additional rehearsal before their performance. Many thanks to the parents for their support, Mandy Chou for organising and Katrina our conductor.

Ducks
Our ducks, George and Mildred, are rapidly growing! Please visit them in our eco garden and watch how ducks spend their day. There’s no maths or spelling, but it’s learning of a different kind for these inquisitive ducklings.

App of the Week
Deep Sea Duel
By National Council of Teachers of Mathematics
This free app is designed for both iPhone and iPad

Okta challenges you to a duel! Collect cards with a specified sum, and you win! But you better do it before Okta does! Choose how many cards (9 or 16), what types of numbers (whole numbers or decimals), and Okta’s level of strategy (easy to hard).

This app was developed for students of all ages.

Access the school website to view a list of all the apps.

Visit to Korea for KMC
This holiday KMC will visit Mrs Song’s Year 1 class in Naeri Elementary School. Ms Medana is taking an avatar (laminated paper doll) of each child in KMC to Korea. Each student will be given a buddy and the buddy will share via photos aspects of Korean life. When Ms Medana returns she will bring with her a Korean buddy for each KMC student. KMC are looking forward to creating digital stories about school and home life for their Korean avatar buddy later this year. Mrs Cuneo

Tilsley’s Tasty Tips
Holidays have arrived. The structure of the day has changed so I find it important to organise myself and my children.

Factoring in some rest time is necessary so that children can recharge their batteries for the long and much more challenging Term 4 ahead. I try and keep out of the heat in the middle of the day and head indoors. Board games and creative play is perfect during the middle of the day. In the morning when you are fresh is when it is best to do sports with your children, when you will get the most focus out of them or in the late afternoon after the sun’s strength has dropped.

If possible get the children involved in food preparation. Once they get into it they really enjoy it. Every day at school I see the pride they take in their creations.

Have a great holiday and see you in Term 4!

School Leaders take the initiative at the 3 – 6 Assembly

Yesterday, I was privileged to attend the assembly for students in Years 3 – 6. I was extremely impressed by a number of things during the assembly; Nick V (6JR) spoke eloquently about the importance of freedom in our society; David H (5ST) led the National Anthem confidently on the piano; many ribbons were handed out to our successful Zone Athletes; a great number of students who had attained Distinctions in the recent UNSW English Competition were acknowledged; and class Merit Awards reflected the many ways students are achieving well and contributing positively to our school. In addition to these marvellous achievements, two of our school leaders, Ella C (6EH) and Claire C (6LN), gave a presentation entitled, ‘What do I do if someone is bullying me?’ It is important to note that these girls were not asked to do this presentation; they took the initiative themselves in their capacity as leaders of the Bounce Back Crew, and Mr Lowe and I felt this was a superb example of real leadership from these outstanding students. We were so impressed by their presentation, I have included it here in its entirety:

What do I do if someone is bullying me?

This was a question from the bounce back box.

When most people think of bullying they think of people punching each other and fighting, this is called physical bullying, but there is also cyber bullying and verbal bullying. The number one thing you need to do if you feel you are being bullied is to tell someone about it. You can talk to your parents or teachers, someone you feel comfortable with and you trust.

Claire and I have both felt bullied before and we fixed it by telling our parents. If you don’t it is only going to get worse and worse and much more serious.

When someone bullies you how does it make you feel?

Scared, confused, not safe, sick, embarrassed, mad, lonely there are many different ways you can feel. The only way you can feel better is if you talk to someone about it. But don’t talk to the first person you meet. Remember to tell your parents or teachers.

When I went to Menindee at the beginning of the year, there was a poster on a window outside one of the classrooms and it said ‘If someone is bullying you it is because you are higher than them’. This means that when someone is bullying you they are trying to make you feel down, alone, unhappy and unsafe.

It is never okay to bully someone, if you are being bullied or you see someone being bullied make sure you tell the right person.
Softball Success
Congratulations to Sara C (6EH) and Alyssa M (6LN) whose softball team came third in the Under 13 State Championships last weekend. The girls played for North Shore, and we congratulate them on their success.

26 Storey Treehouse Performance
The excursion to the Chatswood Concourse to see a live performance of Andy Griffiths’ 26 Storey Treehouse was very much enjoyed by all students in Years 3 to 6. Thank you to our wonderful teacher librarian, Mrs Milthorpe, for organising it. Here are some reviews:

This play was perfect in every aspect. Daniel Y 4SC

It was extremely funny! Ellie K 4SC

I loved the props, actors and it is a funny play. I recommend it. Max G 4SC

Have you ever imagined living in a 26 storey treehouse? Well that is what I experienced last Monday. I thought the play was fantastic. There were very good scenes and I enjoyed it very much. I would have liked it better if it was more about the treehouse, but that might be in the next play. I enjoyed it very much. Katelyn P 5ST

It is very interesting to make the show from the book. It is my first time to see a show in Australia. It was quite good. I liked the sound they made, like when they jumped in the water, the sound of the bubbles was very real. And I have not read the ‘26 Storey Treehouse’ and after I have seen the show, I feel the book is quite interesting, so I told my mum to buy the book. I just want to say the show is very good. I hope they can make a show of the ‘39 Storey Treehouse’. Tong Z 5ST

I thought it was a good experience because I had never been to a theatre before and I thought the play had a good story line. Harry K 6JR

I enjoyed the play because the sound effects were really great and when they were in a different scene they really expressed what was happening just by acting it out. Jess A 6JR
Dance Extravaganza 2014
The word “extravaganza” doesn’t even begin to describe LEPS’ ‘Magic of Musicals’ performance on Tuesday! It is truly wonderful to realise that every single child in the school had the opportunity to perform in front of an appreciative and highly enthusiastic audience. It is also worth acknowledging the amazing quality of dance from just eight lessons this term, and the skill development from Kindy (adorable!) to Year 6 (impressive!) and all grades in between (fabulous!) Thank you to all parents, grandparents, family members and friends who supported the event. It was lovely that so many of you could stay and picnic with the stars! Thank you to our dance partners, Dance2BFit, who have once again provided a quality service and been a joy to work with. Thank you to Ms Jennie Rixon for her organisation of the day, and the determined and patient way she took a rag-tag group of left-footed teachers and turned them into a taut, tight and terrific (their words) team, worthy (in their opinion) of their own TV show. Thank you also to every single teacher at LEPS who has encouraged, supported and guided their students on their dance journey this term, and gone the extra mile in terms of preparing their class for the big moment. And finally, thank you to the many students who had the job of keeping the rain away – your powers were nothing short of miraculous!

RECAP OF SCIENCE FOR TERM 3

Wow! What an exciting term. LEPS students have been putting their investigation skills hard to work to uncover some pretty cool scientific facts. Here’s what we have been learning.

Stage 1. Light and sound.

Years 1 and 2 have been discovering things about light. We used prisms to turn white light into coloured light.

Stage 12 have also conducted investigations to help them understand how sound is produced.

Antonia M 2TN

Water Xylophone

Guitar sounds

Fintan M 1CV

Tania T 2WS
Stage 2 have been investigating solids and liquids. Through scientific investigations years 3 and 4 have learnt about the particles in matter, dissolving and melting.

We dissolved different materials to find out about their solubility.

We measured the temperature of melting ice to determine the effect of heat energy.

We investigated the melting time of chocolate when its mass is changed.

Stage 3 have been creatively planning and designing a collaborative learning space for the 21st century learner. They've been looking at systems in built environments and how social and environmental factors influence their design. Years 5 and 6 have been using the iPad app Room Planner to produce solutions and address the design criteria.

Starting at a new school can be overwhelming for children & parents alike. There are so many new faces & new routines to learn, and even if you have had children enrolled for a while, in our big school you may still feel a little lost.

We have a lovely tradition at our school of casual coffee shop catch-ups in our neighbourhood café. We aim to make you feel part of this wonderful community. Come along and join us one Wednesday in term 4

**Where:** The Deli in the Park (café in the row of shops off Wellington Rd, East Lindfield)

**15 October, 29 October, 12 November, 26 November, 10 December**

To help us connect you with the other parents in your child’s class or start answering your queries, please email your names and contact details to: welcome2leps@gmail.com

We would love to meet you, and we welcome all your feedback.

Kind regards
