Strong Community Links
LEPS Assistant Principal, Julie Pitt and her Kindergarten team have taken school transition to a new level in 2015. In order to assist local preschools prepare children for 'big school' they have initiated a biannual forum for all neighbouring early childhood teachers. Conversations around school readiness, social and emotional needs, establishing new friendships and the learning continuum were all hot topics. This productive and informative collaboration will only enhance the transition and pathways for next year's Kindy students.

The ‘buzz’ of a great Spelling Bee
With nerves of steel, students from all over the lower North Shore mounted the LEPS stage, approached the microphone and had a go at some of the trickiest words in the English language. One by one they were eliminated, until there was only one victorious speller – such is the nature of a Spelling Bee! LEPS contestants Ming-Lok S, Matthew L, Jessica L and Ryan L did an amazing job against some stiff competition, and made us very proud. Thank you very much to Mr Campbell and Miss Pullen who spent many hours organising this Regional Final, and also to Mrs Scope whose powers of hospitality are unequalled!

Karate Kid Wins Gold
Adam J from 1CV exhibited amazing skill and competitiveness to defeat all before him and take the gold medal at last weekends NSW Tae Kwon Do State Championships in Sydney. The diminutive green belt has been training in this martial arts discipline for 1 year and appears to have a big future in this popular Olympic sport. Congratulations Adam.

Orientation for 2015 Kindergarten Students

Cheep Cheep QUACK QUACK

We were all excited to play host to the ducklings and loved every minute of it. The ducks came in an incubator, we had 10 eggs and the children were so excited to come in each morning and count how many had hatched. By day 5 all of the ducklings had hatched and some of the children were lucky enough to see first hand a duckling emerge from its shell! The children enjoyed visiting the ducklings and marvelled at how quickly they were growing. We watched them eat, play and swim and even got to have a cuddle! Overall it was such a wonderful learning experience for all involved. We were all very sad to say goodbye but happy that we were able to keep two! Mrs Fiona Robinson

Ducklings

This week we have ducklings at school. When they first hatched they were very wobbly on their feet. They had to peck their way out of the egg with their egg tooth. When it gets cold they huddle up close together to keep warm. We named one of the ducklings Gorgeous George. Gorgeous George came out of the egg with a bent foot.

By Felix

I LOVE DUCKLINGS! They are so cute. They have fluffy yellow down. The smallest one took five days to hatch and Mrs Robinson named him Gorgeous George. The other nine ducklings only took three days to hatch. The next Monday the ducklings had a swim on the grassy hill. On Wednesday the nine ducklings were one week old. In the afternoon all the ducklings crowded on top of Gorgeous George. The bad thing is the ducklings grow box was smelly. They made so much mess all over the newspaper but we didn’t mind! I’m really happy the ducklings came to our school.

By Isaac

The ducklings started off as eggs. They hatched in 3 days (except George/ia). When Georgia finally hatched it was Friday. He (or she) had a bent foot. The vet said to give him (or her) time and care so Mrs Robinson did. Mrs Robinson, our teacher took him (or her) to her house away from his (or her) siblings. Me and So-Jean named 2 of the ducklings. I named one Puffy Chest and So-Jean named 1 Long Neck. Gorgeous George/ia is the smallest one.

The ducklings don’t have feathers, they have soft fluffy down and they don’t quack, they cheep. Our little ducklings are sooooooooo cute. They have teensy weensy round black eyes and small webbed feet. I think we are lucky to have ducklings at our school.

By Gina

Last week our school got 10 duck eggs. All of them except one hatched on Wednesday so 9 ducklings hatched. A few days later the last duckling hatched and it had a twisted foot. At first the ducklings don’t have feathers, they have something called down. They chirp like a chick!

I love the ducklings a lot.

By Louis

This day we saw some ducklings. We saw them hatching out of the eggs! One egg hatched after five days and the poor duckling had a twisted foot. The vet said it should stay away from the others so Mrs Robinson took the duckling home.

I want to have a duckling.

LEPS Scarecrow Creations  
A reminder to all that scarecrow creations can be brought to school from Monday 15 September, Week 10.  
We are looking forward to seeing a colourful display in the Eco garden! Judging will take place on Wednesday, 17 September. Good luck!

App of the Week  
Symmetry Shuffle $2.49  
A flip, slide and turn puzzle.  
Symmetry Shuffle is a recreational mathematics puzzle for the iPad that will sharpen spatial reasoning.  
Spatial reasoning and geometry are important elements of mathematics. This mathematical puzzle allows users to explore line and rotational symmetry, while developing their spatial sense to create strategies to solve problems.  
THE PUZZLE: Target designs are arranged on the screen in random orientations. Use turns (rotations), flips (reflections), and slides (translations) to move and match a figure over the target images. A level is completed when all of the target designs have been matched. There are two modes of play, solve and race.  
SOLVE MODE: Solve puzzles with the fewest moves, without the pressure of racing a count down timer. Choose from 12 different puzzle designs, 5 game board layouts, and 2 difficulty levels.  
RACE MODE: Race the clock and get as many points as you can before time runs out. Complete the puzzles, to earn bonus time, and to advance to harder levels.  

Access the school website to view a list of all the apps.

Dance Extravaganza 2014
By now you should have received your very elegant invitation to the LEPS 2014 Dance Extravaganza, ‘The Magic of Musicals’. Our dress rehearsal went without a hitch this week, so we know the show will be sensational! We would love you to come along and watch – there are bound to be some tunes that will help you take a walk down memory lane, and probably get your toes tapping as well!

Tuesday 16th September 11:30am – 1:00pm
At the Netball court

Please join your child/ren for a picnic lunch after the show
If it's raining, an email will be sent to all families. The performance will then take place on Wednesday 17th September at the same time.

SRC Young Leaders Day
As part of our Killara Schools’ Partnership, Year 4 SRC Representatives spent the day last Friday with other SRC Reps from neighbouring schools learning about leadership. They spent the morning at Killara High School, where senior school leaders took the younger students through a range of fun activities to help them learn more about personal, school and community leadership. Then it was off to Curl Curl for a tour of Stewart House. Stewart House is a short-stay residential school which is greatly supported by donations received from students and staff of NSW Public Schools. The facility provides a safe and special place where children from all over NSW can receive a much-needed break from a circumstance. Raising awareness of the importance of charities is one of the functions of a school’s SRC, and our young representatives certainly got a lot out of the day:

'I learned a lot at Stewart House and Killara High School. I now know that anyone can be a leader as long as you are brave.'
Eugenie C. 4SC.

'Stewart House is opposite to Curl Curl Beach and was made in 1931. It helps children who need help or a break from stress.'
Megan C. 4KP.

'We met lots of children from other schools. We learnt about what leadership is and new leadership skills.'
Martin T. 4KP.

'I enjoyed meeting other kids and learning more about leadership.'
Lachlan M. 4MH.

'Stewart House was a really nice school to visit. It was very different from LEPS.'
Max L. 4SC.

Grand Finals Fever
Congratulations to all the people in the PSSA Sports teams who played their Grand Finals matches this week. LEPS students were proud and competitive runners-up in all their matches, narrowly missing out on the winners’ badges this year. Thank you to the players for their exemplary sportsmanship and dedication to training, and also to the coaches who train and inspire these young athletes.

The Sweet Sound of Success
What a pleasure it was this week to hand out dozens and dozens of certificates to students in the Training Band, Performance Band, Concert Band and Stage Band, and also to those students who had completed the Strings Trial. The bands had great success at recent eisteddfods, winning Bronze, Silver and Gold Awards. The bands program at LEPS is second to none, and our success is due in no small measure to the dedication of the parents who help to run the program. Well done, talented musicians!

Summer Uniforms
It’s that time of year again, where we have very changeable weather. Yesterday it seemed as though it would pour all day, and it turned into a very warm and sunny day! For this reason, students can choose whether they wear the winter or summer uniform for a few weeks; families can make the decision each day, depending on the temperature. When the weather settles and becomes lovely and warm, we will advise students to wear their summer uniform.

• The 26 Storey Treehouse Excursion - Years 3-6
During Term 3, 4ME explored the idea of *What is Culture?* The students used art to present and interpret the different characteristics of the many diverse cultural backgrounds, that now call Australia home.

The class examined the use of masks in African culture and created their own animal masks. We reviewed the distinctive blue and white porcelain patterns typical of the Ming Dynasty in China. Whenever there is any happy occasion or festivity, Indian women celebrate it by applying henna designs on their hands and feet, so the students made their own henna designs. The white tiger is strongly associated with Korean folklore so the students created collages with the white tiger as the central theme. The silver fern is a strong influence in Maori culture, we used it as our inspiration to create beautiful fern designs. And many more!

All the students in 4ME, love creating and designing their pieces of art.
This season all the boys played exceptionally well. Everyone who played was very committed and tried their hardest. All the Lyrebirds turned up to training every week and always came to games even if they didn’t play. One of the most important things about playing in a team is teamwork and all the boys did extremely well working as a team.

There was some very tough opposition throughout our season, from the Bryan Palmer Shield in Term 2 to the Gordon 7’s Gala Day in Term 3. All the teams played very well in all the games and competitions, especially at the sevens gala day when two out of the four teams progressed through to the grand finals. We have to thank our parents for all their commitment and being there to support us. We ESPECIALLY have to thank our coaches for all their hard work and dedication to the boys. As well Mr Lowe and Mr Stevenson, Luke Reimer (ex-captain of the Lyrebirds) also came and coached the boys. He was a great laugh and all the boys looked up to him as our past Lyrebird captain.

This year we welcomed the juniors into the Lyrebird squad and we are positive that we will get back the Stirling Mortlock Shield after two years of being runners up. We would like to thank all the boys for making this rugby season possible.

Good luck to all future Lyrebirds, we wish you great success in the future at LEPS.

K-2 SPORTS DAY

THURSDAY 18 SEPTEMBER

The K-2 Sports Day will be held next week. The first event for the day will be age races for boys and girls. We are running finals, determined by the fastest 8 times from the heats. This will be followed by recess. After, will be the race finals and then each class will rotate through a variety of sporting activities organised by teachers. We will end the day with lunch and further activities on the oval before walking back to school.

Date: Thursday 18 September 2014
Time: 10:20am – 2:00pm
Place: Wellington Oval
Dress: Sports uniform, hat and sunscreen (applied before school)
Lunch: Students must bring their own Crunch and Sip, morning tea and lunch. NO LUNCH ORDERS. Everyone must bring a water bottle with their name clearly labelled. No glass bottles or cans please.

If you are taking your child home from the oval, please have your child marked off by their class teacher. This gives us a record of who has been collected and ensures that we know every child is safe. Written consent for your child to leave the oval with another person must be given to your child’s class teacher before the day.

If it rains on Thursday, or if the oval is too wet to use, this event will have to be postponed.

We look forward to seeing you on the day. Parents are welcome to stay and enjoy a picnic lunch with their children. Please no dogs as it distracts the children and is also a DEC regulation.

Last Friday Fabian, Edie, Emma and Skye attended Asthma and Anaphylaxis Training with Allen's Training. We had 17 carers all from other centres around the Kuringai area come to participate. The course went for 3 hours with 2 assignments preceding the course. To comply with National regulations services have to have a minimum of 1 person on site with this qualification at all times. This means that we are exceeding the minimum as all our permanent staff are now qualified with Emma being an extra! We had a number of comments on how our centre had a ‘great feeling to it’ which is awesome work by everyone!

Starting at a new school can be overwhelming for children & parents alike. There are so many new faces & new routines to learn, and even if you have had children enrolled for a while, in our big school you may still feel a little lost.

We have a lovely tradition at our school of casual coffee shop catch-ups in our neighbourhood café. We aim to make you feel part of this wonderful community. Come along and join us one day

Where: The Deli in the Park (café in the row of shops off Wellington Rd, East Lindfield)
