Dear Parents and Caregivers

On Tuesday 18 November, all Year 6 students will have the opportunity to run a stall at our annual Year 6 Mini Fete. In preparation for the Mini Fete, students will work in groups of 4-6 and will complete a project that will be in the form of a business and marketing plan which aims to promote their stall. Stalls should have suitable activities for 5-11 year olds as the Mini Fete is a student-only event*. The majority of planning will take place each week during class time under the supervision of classroom teachers.

*For safety reasons (eg: cooking a barbecue) some stalls may require parental assistance on the day. Students must inform their teacher prior to the Mini Fete if a parent will be helping out their stall at the Mini Fete.

Students will need to consider the following when organising their stall, as this project will form part of their HSIE Assessment for Semester 2:

- Products
- Advertising
- Budgets
- Resources
- Stall location
- Safety considerations
- Project timeline

Ideas will need to be discussed with other group members, parents and teachers, to ensure that there is an even mix of food and activity stalls. Suggestions include:

- food (no drinks)
- hairspray/nail polish
- face painting
- guessing competitions
- sporting activities
- video games
- jewellery
- guessing competitions

All money raised from each stall will go towards the purchase of a gift to the school, as well as paying for the printing costs of the Yearbook. All group members must agree upon a set amount to spend on their stall, ensuring that no child contributes greater than $20. All takings will be collected and banked throughout the day by Mr Lowe and Mrs Scope. Please complete the attached permission slip and return to your child’s teacher by Friday, 31 October. We are looking forward to an enjoyable and educational Mini Fete.
